

CONGRATULATIONS ON SELECTING PERSONNEL RECOVERY AS YOUR RESEARCH TOPIC!

1. The host for this project is the JPRA PRETC Analysis Branch. We can be contacted by email at: PRPMERESearch@jpra.mil, PRPMERESearch@jpra.smil.mil or by phone at: 703 664-5260 / 5228 / 5200 /.
2. Students of JPME can craft their own topic nomination using the blank submission form under Sub-Folder: New Submissions (PRTN_Blank_Submission_Form.pdf). Simply fill out all required fields and click the orange “**Email Form**” button at the top of the Submission Form (your input should be attached to a new email).
3. All subjects are available to students of JPME and others inclined to write on the subject of PR. We also encourage writers to share these topics with cohorts who might also be interested in writing on PR.
4. JPRA can provide limited assistance to research and structure. We can look at work in progress. However, **we cannot proof-read for either content, accuracy, or punctuation.** The writer’s words are his own and do not represent the JPRA in any form.
5. We offer an assortment of research papers as indicated in the sub-folder below, and can supply a CD of PR documents (FOUO for US students and redacted / limited for non-US individuals).
6. Quid-pro-quo, we request a copy of your paper for our review and inclusion in our collection below. It can be sent to (hyperlink PRPMERESearch@jpra.mil, PRPMERESearch@jpra.smil.mil).
7. NIPR Hyperlinks to JPME Schools.

8. Previous PR papers. See Sub-Folder: Nominations. This is a compilation of PR papers written by students attending JPME, and supplemented with PR papers of historical value. They provide excellent discussions of research into PR and rescue over the last two decades.
9. For further research guidance and/or reference support, the JPRA Library can be contacted at: library-archives@jpra.mil; or 703-704-2203.
